North East Regional League Rules 2017-2018 Season

1. Overview

The purpose of the North East Regional League (NERL) is to provide a competition that aims to determine the best team in the region whilst encouraging participation and development in netball through an open, fair, progressive and transparent league structure.

The league competition results will be used to determine the team that will go on to represent the North East at the England Netball Premier League (3) Play-Off Competition.

These regulations set out below outline the Rules and Regulations (“the Regulations”) which govern the operation of the NERL.

The Regulations must be followed by all teams, players, officials, spectators and administrators in the management, administration and operation of NERL.

2. Competition Structure

2.1. NERL shall comprise of the following:

2.2. The team that finishes top of NERL division 2 at the end of the season will be the NERL division 2 champions, and will be promoted directly to NERL division 1.

2.3. At the end of the season, the teams which finish in seventh position in NERL division 1 will contest a play-off against the team that finishes in second place in NERL division 2. 2.4.1. Should the team representing the North East at the Premier League (1, 2 or 3) Play-offs be successful in gaining a place in Prem 3, they will be promoted and will relinquish their place in the NERL. (See Appendix 1 for the relegation and promotion process that will be followed in this event.)

In the event that neither team is on court at the start time the match will be declared void and neither team will receive any points.
- 6.1.5. No team may play a match with less than five (5) players, any team with less than five (5) players will automatically concede the match and be penalised as outlined in Section 4.

Where matches are not rearranged an appropriate outcome will be decided by the Competition Referee.

To aid their progression from C to B these umpires will be mentored during each match until they pass the B award practical assessment.

6.3.2. The Officiating TSG will have responsibility for procedures which ensure that umpires conform to a standard of physical fitness which allows them to keep pace with the speed and variability of the match(es). 6.3.3. All umpires will be required to achieve fitness as set out by England Netball on the multi stage fitness test in September before the commencement of the League and again in January when the League commences after the Christmas break. This level may be altered by the Officiating TSG at their discretion. Organised sessions will be provided where umpires can take the fitness test. Umpires wishing to officiate in the NERL may also be required to attend a pre-season workshop as part of their continuing development and will receive a match report at least once during the course of the season.

6.3.4. Umpires will be allocated to matches by an appointed coordinator, based on their indication of availability. Responsibility to fulfil their commitments or to organise an appropriate substitute in conjunction with the coordinator will rest with the allocated umpire.

- a) If another umpire of the appropriate standard is available then they will umpire the match.
- b) Failing that, the next best-qualified umpire should be used.
- c) If no umpire is available then the NERL Results card should be marked accordingly and handed in.

- 6.4.2. Each team must provide a Competent Technical Official (CTO) for each of their matches. CTOs are those who hold the England Netball Technical Official qualification, or are qualified Umpires or have attended a North East Regional League Technical Official's course. CTOs may not coach or comment during the match. The CTO's should agree between themselves who acts as scorer and timekeeper. They should ensure they are equipped with the relevant equipment to fulfil their duties, i.e.: stop watches, pencils, etc., as the only equipment provided at the venue is a flip-over scoreboard. Failure to provide a CTO for any portion of a match will incur a penalty as outlined in Section 4. In addition the process below should be followed in the event that a team fails to provide a CTO for their match.
- 6.4.3. In the event that only one team provides a CTO then the other teams CTO will take the lead in officiating the match. The offending team will be required to find someone who can work alongside the CTO to officiate the match. If there is no one available to fill this gap then the offending team will be required to fill this gap with one of the players from their match squad who must remain in this role for the full duration of the match.
- 6.4.4. In the event that neither team provides a CTO then both teams will be required to drop a player from their squad for the duration of the match. These players will be paired with CTO's from other matches taking place at the same time. As above these players will remain in this role for the full duration of the match.

6.5. Team Officials

- 6.5.1. The Team Officials are: Coach, Manager and up to three (3) other personnel, at least one (1) of whom must be a primary care person who is qualified to diagnose and treat injury and/or illness, for example a doctor or physiotherapist.

6.6 Match Timings

- 6.6.1. All matches shall be of one hour's duration (four quarters of fifteen (15) minutes each). Central timing will not be used.
- 6.6.2. All matches shall have a half time period of four (4) minutes and three (3) minutes for quarter time and three quarter time intervals.

6.7 Scoring

6.7.1 Teams will be awarded league points as follows:

- a) Six (6) points for a win;
- b) Three (3) points for a draw;
- c) Two (2) points if within 5 goals of the winners' score – i.e., 50-46 = 2 points, 50-45 = 1 point
- d) One (1) point for a loss with more than 50 per cent of the winners' score
- e) Zero (0) point for a loss with less than 50 per cent of the winners' score

6.7.2 Regional League tables will be compiled on the basis of the points awarded to each team. Where teams are level on points:

- a) Goal average (goals for divided by goals against) shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the season shall take precedence
- b) In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded
- c) In the event that goal difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence
- d) In the event that neither goal average nor goal difference nor goals scored can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the team that gained the most points.

In the event that none of the above differentiates between the teams, then the Competition Referee (in association with the CTSG and NE-RMB) shall determine the means of differentiation

Note - Where one of the teams has its goal average, goal difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of both teams level on points. Except where one of the teams level on points is the conceding team, at which point they assume a goal average of 0 and will be the lowest ranked team of those level on points.

For example, in the event that one team received 6 points for a conceded fixture, then the goals scored by and against both teams level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated

6.8.Registration of results

- 6.8.1. For all Regional League matches the official NERL Results Card must be used and completed fully including signatures from both scorers and captains. Result cards must be scanned/photo messaged to the Competition Referee (northeastcompetitionreferee@hotmail.com) on the day of the match. Paper copies of
