NORTH EAST

CENTENARY CHAMPIONS
ROLE DESCRIPTION

Support North East Netball as a Centenary Champion and help Netball be the best it can be.

Purpose of the role: To help share the history of Netball in the North East and the wider netball family. Honouring a legacy of bold, determined, forward-thinking women who created something extraordinary.

England Netball is celebrating a landmark 100 years in 2026, marking a century of shaping the sport and transforming opportunities for women and girls across the country. As one of the oldest and longest-established female-specific sporting governing bodies in England, England Netball's centenary recognises not only the longevity of the organisation, but its pioneering role in advancing women's sport. The organisation was founded on 12 February 1926, when 230 delegates gathered at the YMCA on Tottenham Court Road in London, chaired by Miss Edith Thompson CBE, to form the All-England Women's Net Ball Association. A century on, that founding commitment to an unapologetically female game continues to shape England Netball's approach to the sport.
